Mr Beaton's Principal Report – 31st May, 2019

SCHOOL LUNCH PROGRAM

It is great to see so many students eating such a variety of healthy foods. Tania our Chef is doing a wonderful job cooking such a variety of meals each week. Thanks to parents who have dropped off fruit and vegetables to support our program, this helps keep the cost down.

DOXA CAMP FOR GRADES 3 TO 6

Our school camp is now full. Parents who are yet to finalise camp payment please do so ASAP. All money owing needs to be paid by Friday 7th June. Further information regarding departure times and what to bring will again be sent home in the next weeks. Camp is on from Tuesday 18th to Friday 21st June.

WOOLWORTHS EARN & LEARN

We are collecting the Woolworths Earn & Learn stickers. These can be placed in the box at the front office.

SNOW TRIP

We are heading to the Snow on the 25th of July, which is week two of term 3. The recent cold weather has kicked off the snow season early. Notes will go home next week with more details, however, the estimated cost will be \$100 per student. The cost involves the bus, mountain entry, lunch and snacks, snow clothes and toboggan hire. We are only taking two buses so please return your forms and money ASAP.

SCHOOL REVIEW

We are currently going through a school review, this happens every four years. Darrell Mullins is reviewing our school and will be here on Tuesday morning from 9-9:30am to speak with parents. The meeting will be in the Staffroom and it is an opportunity to have a say about the good things our school is currently doing and areas we can improve on.

QUEEN'S BIRTHDAY AND CURRICULUM DAY

Tuesday, 11th June is a student free day as all staff are attending a numeracy professional development day. Please remember that Monday the 10th is also a student free day due to the Queen's Birthday public holiday.

CAREER'S WEEK

Thank you to Mrs Canty for organising guest speakers to come and visit our students and talk to them about possible careers. All grades have had at least one guest speaker. Speakers have included a vet, optometrist, a female pilot, doctor, medical scientist, fire fighter and a female engineer.

MPPS VALUES

Be friendly, safe & strong.

Persist with our learning.

Care for our school.
