

## MOOROOPNA PARK PRIMARY SCHOOL

Policy Statement: MANAGEMENT – ENROLMENT

Responsibility: Principal and Staff

This Policy was last ratified by School Council in 2023.

### **Rationale:**

- All children enrolling at our school deserve a smooth transition that enables them to become part of our school with minimum disruption and maximum support.

### **Aims:**

- To provide an efficient process of enrolment that satisfies the needs of students, parents and the school.

### **Implementation:**

- All children who are eligible to attend a Victorian Government school are welcome to attend our school.
- Students enrolling at our school as part of a prep intake will be required to provide proof of age i.e., Birth Certificate (indicating that they have turned 5 years of age by the 30<sup>th</sup> of April of that year) and an immunisation certificate.
- A child who is less than the minimum age of entry for Victorian schools but has transferred from an interstate school is eligible for enrolment. Evidence of age and full-time enrolment at the interstate school must be provided.
- Other parents seeking early age entry for their children must make a written application to the Regional Director.
- Information regarding the enrolment of overseas students can be obtained from the International Studies Unit (03) 9637 2202.
- Students with Disabilities and Impairments will be enrolled along with all other eligible children. Concerns relating to resourcing levels are in themselves insufficient grounds for delayed admission. Delayed admissions can only be authorised by the Regional Director.
- All enrolments will require the completion of the DET ‘Confidential Student Information Enrolment Form’, with details entered immediately on CASES.
- Parents wishing to enrol their students at our school from a neighbouring school will be able to do so on the condition that;
  - It is the commencement of the school year or the commencement of term 3.
  - If the principal of the previous school is in agreement with the transfer.
  - If there has been a change of address that places the student closer to our school than the previous school.
  - If the student seeking enrolment is from a non-government school.
- The principal will contact principals of previous schools of all students seeking transfers to discuss the circumstances of the transfer, arrange a data transfer and to discuss any academic or behavioural matters. The principal has the authority to defer admission in order that enquiries of the previous school are carried out in the interests of the student.
- Students will be allocated to classes according to a combination of class size and student need.

### **Evaluation:**

- This policy will be reviewed as part of the school’s three-year review cycle.
